About the Foundation 關於基金會

十分關愛基金會自二零零七年成立，並於二零零九年一月十五日正式在香港註冊成為一間非宗教、非政治、非牟利的慈善團體。

Ten Percent Donation Scheme Foundation was established in 2007. It was registered as a non-religious, non-political and non-profitable charitable organization in Hong Kong on 15th January, 2009.

(根據《稅務條例》第88條獲豁免繳稅檔案號碼：91/10002)
(Granted tax exemption under Section 88 of the Inland Revenue Ordinance, IR File No: 91/10002)

十分關愛基金會的緣起，是源於一眾委員在一次聚餐時爭相結賬未果，當時其中一位委員提出一個一舉兩得的處理方法：
除了負責結賬的委員外，其餘委員需交出該次賬單金額的10%作為捐款。沒想到這個靈機一觸的提議，竟凝聚了一班朋友的
關愛力量，他們決定成立一個基金會，積極推動慈善捐款運動。

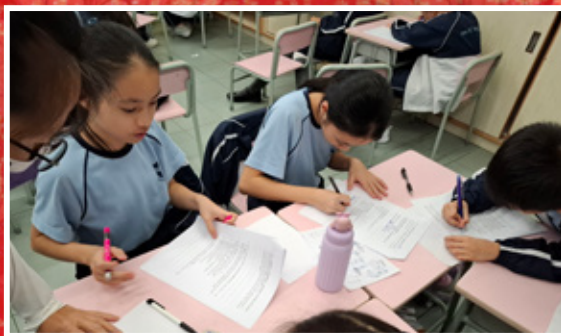

How did our Foundation / organization begin? A group of friends, who later became the committee members of the Foundation / organization, gathered for a dinner reunion. They fought over to pay the bill. One of them finally came up with an interesting idea - everyone, except the one who paid for the dinner, would donate 10% of the total amount spent that night for charity. This simple idea pulled together the loving hearts of the founding members into the establishment of our Foundation / organization.

We hope that "Ten Percent Donation Scheme Foundation" to play the leading role in encouraging the general public to participate in our loving acts. We wish to influence more individuals to give their helping hands, and to support children from lower income families.

We collaborate with different charity groups, aiming to help children from poverty through better education. We also promote our belief of "Help others, help yourself", to spread love in our community through donations.

Moreover, our committee members serve on a voluntary basis, as we are doing our best to minimize administrative costs. We tend to allocate 100% of our donations to those in need.

Our Services 主要服務

我們相信，良好的學習環境有助兒童的學習和發展。對於經濟水平較差的家庭，一般難以為子女負擔額外的教育開支，這樣或會限制了兒童接受全面的發展機會。有見及此，本會以資助貧困學童的教育開支為方針，藉以讓學童接觸更多元的學習活動，發展他們的潛能，建立正面價值觀和態度。

本會憑藉累積十多年課後託管合作經驗，在2023年開始與天主教教區小學合辦「十分關愛友伴同行成長計劃」，這是基金會首次自行舉辦的服務計劃。透過這個計劃，為天主教教區其下五間小學的學童提供課後支援成長服務，服務對象超過100名學童。服務計劃目標是讓父母可安心外出工作，避免獨留兒童在家時發生意外，減輕基層家庭面對工作及照顧家庭所帶來的雙重壓力。服務亦為學童提供有質素的課後支援成長服務，增強自我照顧能力，本會聘請的專業導師亦提供每日的功課輔導及指導服務，協助學童解決學科上遇到的疑難。為培養及發展學童的學習興趣，幾位年青義工合作設計出一系列的「特別課程」，為基層小學生帶來豐富的學習體驗。這些課程特點包括互動、實踐和應用，通過各種形式的教學活動，如講座、討論、角色扮演、遊戲教育、實驗和藝術創作等，引導學童深入理解課程內容並將之應用於生活之中。

過去，十分關愛基金會 曾與不同的機構合作舉辦「課後支援計劃」，向學童提供在放學後的安全環境和有益的學習機會，提供適切的服務來支援課後缺乏照顧的基層學童。

曾合作機構包括 (排名不分先後)：

香港小童群益會, St. James Settlement, YMCA of Hong Kong, 聖雅各福群會,
香港路德會包美達社區中心, 香港婦女中心協會 等等

服務地區包括 荔景、長沙灣、深水埗、九龍城、何文田、紅磡、大埔、天水圍等等。

支援特殊學習障礙學生的「樹苗計劃」，此計劃所幫助的貧困學生之中，除了缺乏經濟支援外，在生活、知識或先天條件上亦有不足，導致他們在學業或其他學習上出現困難，甚至出現情緒、行為和溝通等問題，難以融入校園和社會。本會期望協助學生除了改善上述問題外，更能在他們的成長道路上得到一些支援。

曾合作機構包括 (排名不分先後)：

中華基督教會燕京書院, 香港小童群益會, 香港路德會包美達社區中心 等等

基金會亦曾協助內地清貧的大學生順利完成學業，為他們投身社會前作好準備。近年，我們專注向香港的基層小學生提供資助，曾與各機構合作舉辦「課後支援計劃」，讓學生獲得良好的學習環境，以及多元的發展空間和機會。

創會至2024年，十分關愛基金會課後支援計劃已資助來自低收入家庭學童超過2200人。

Our Services

We believe that a conducive learning environment is an important part of supporting the learning and development of children. Low-income families often find it difficult to afford additional education expenses for their kids, which may hinder children's development. The Foundation aims to subsidize the education expenses for children, so they could enjoy a more comprehensive learning environment, be exposed to diverse learning activities, and cultivate positive values and attitudes.

Our association has accumulated more than ten years of experience in after-school care, the Foundation will start cooperating with Catholic diocesan primary schools in 2023 to organize the "Ten Percent Companion Growth Supportive Service". This is the first service program organized by the Foundation itself. Through this project, after-school support and development services are provided to students in five primary schools under the Catholic Diocese, serving more than 100 students. The primary objective is to allow parents to work with peace of mind, avoiding accidents when children are left alone at home and alleviating the dual pressures faced by low-income families in balancing work and family responsibilities. Additionally, the program offers high-quality after-school support and growth services to enhance students' self-care abilities. Our team of professional tutors provides daily homework guidance and counseling services, assisting students in overcoming academic difficulties.

To cultivate and foster students' interest in learning, a group of young volunteers has collaborated to design a series of "Special Courses" that offer enriching learning experiences for underprivileged primary school students. These courses are characterized by interactivity, practicality, and applicability. Through various forms of instructional activities such as lectures, discussions, role-playing, educational games, experiments, and artistic creations, students are guided to deepen their understanding of the curriculum content and apply it to daily life.

In the past, Ten Percent Donation Scheme Foundation works with different organizations to organize the "After-school Support Program". We provide children with a safe environment and quality learning opportunities after school.

Our Services

Institutions we have cooperated with include (in no particular order):

**The Boys' & Girls' Clubs Association of Hong Kong, St. James Settlement,
YMCA of Hong Kong, St. James' Settlement,
Martha Boss Lutheran Community Centre Group, Hong Kong Federation of Women's Centres Limited. etc.**

Service areas include Lai King, Cheung Sha Wan, Sham Shui Po, Kowloon City, Ho Man Tin, Hung Hom, Tai Po, Tin Shui Wai, etc.

Promote after-school support programs and provide appropriate services to support grassroots students who lack after-school care.

Support students with specific learning disabilities - Sprout of Life Program

The "Sapling Project" supports students with special learning disabilities. Among the poor students assisted by this project, in addition to lack of financial support, they also have deficiencies in life, knowledge or congenital conditions, causing them to have academic or other learning difficulties. They may even have emotional, behavioral and communication problems, making it difficult to integrate into campus and society. The Association hopes to help students not only improve the above problems, but also receive some support on their growth path.

Institutions we have cooperated with include (in no particular order):

**CCC Yenching College, The Boys' & Girls' Clubs Association of Hong Kong,
Martha Boss Lutheran Community Centre Group etc.**

We have helped poor college students in the mainland successfully complete their studies. In recent years, we have focused on providing financial aid to Hong Kong's grassroots primary school students. In addition, we have joined hands with various organizations to organize the "After-school Support Program", to provide children with better learning opportunities.

Since -2024, Ten Percent Donation Scheme Foundation has supported more than 2200 students in these programs.

Chairman's Message 主席的話

自 2007 年創立以來，十分關愛基金會迎來第十八個年頭。在這個重要時刻，我們回顧過去一年的工作，見證愛心與教育如何為下一代指引方向。

過去一年，隨著人工智能的迅速發展和全球局勢變動，更加體會到教育使命的深遠意義。教育不僅是傳授知識，更在於培養孩子們面對未來挑戰的能力。在「十分關愛友伴同行成長計劃 II」推進的第二年中，基金會與天主教學校的合作流程得到顯著優化，雙方協作更加緊密、高效，實現目標共識。憑藉過去一年的成功經驗及良好口碑，參與人數明顯增加，本計劃也獲政府認可符合「攜手扶弱基金」配對資助申請資格，充分展現社會對本會工作的肯定。學校在招生過程中嚴格遵守基金會的收生標準，確保資助對象真正來自有需要的基層家庭。基金會將持續提供資源和指導，與學校攜手優化運作，並定期評估資助成效，力求每一分善款都發揮最大價值。

除了提供有質素的課後支援服務，協助學童解決功課相關的疑難外，我們更通過多元化的課後活動，包括 STEM、金融知識、環球健康、工程、視覺藝術、基本法及機器人技術等教育內容，為孩子們提供持續支持，讓他們接觸並了解更多恆常科目以外的知識，拓展視野。謹此衷心感謝超過80位來自各校的導師及義工，用熱情與專業搭建起知識傳承的橋樑。正是你們的付出，讓這些寶貴的教育理念得以實現。

此外，感謝媒體朋友們記錄這些珍貴時刻，讓社會看見教育的力量。從星島日報到南華早報的專題報導，尤其是 HOY 電視台《一線搜查》節目中，副主席蘇達文先生、義教計劃創辦人 Ethan Chong 與天主教領島小學李安迪校長的深度訪談，全面展示了教育如何幫助孩子們在變局中站穩腳步。

我們亦透過兩場《誤判》電影放映會，吸引超過500名學生參加，共度了一個富有意義的下午。該活動與現屆保良局副主席譚毓楨博士共同構思，感謝高主教書院校監盧詠琴女士、教育事務主教代表助理胡艷芬助理、黃嘉茵助理，香港十大傑出青年及前香港小姐冠軍劉倩婷博士，以及各校長與教師的大力支持和熱忱參與，使活動成果具深遠影響。由於反應熱烈，活動特別加場，並邀請多位特別嘉賓親臨現場，包括影片執導、監製及主演甄子丹先生、兩屆香港電影金像獎影帝鄭則士先生和編劇兼執行監製黃子桓先生，分享拍攝經歷並與觀眾互動；懲教署助理署長（更生事務）唐恂先生亦就青少年誤墮陷阱現況進行分享。

十八年來，我們始終堅信：教育是改變命運的鑰匙。在這個充滿不確定性的時代，這份信念愈顯珍貴。展望未來，我們將繼續秉持「助人自助」的精神，致力將服務拓展至更多有需要的學童，增加他們的發展空間和機會，改善隔代貧窮的問題。

最後，衷心感謝社會各界一直以來的慷慨支持。您的每一分捐助，都轉化為孩子們追夢的勇氣與力量。讓我們攜手並進，在這第十八個年頭，逐步擴闊社會的受惠群，繼續秉持扶助學童教育的服務宗旨。

Chairman's Message

Since its establishment in 2007, Ten Percent Donation Scheme Foundation has reached its 18th anniversary. At this significant milestone, we reflect on our work over the past year, witnessing how compassion and education continue to guide the next generation.

The past year has seen rapid advancements in artificial intelligence and shifting global dynamics, deepening our understanding of education's profound significance. True education extends beyond knowledge transfer—it must equip children with the ability to face future challenges. In the second year of our “Ten Percent & Catholic Diocese - Companion Growth Supportive Service”, our collaboration with primary schools in the Catholic Diocese has achieved more efficient coordination and stronger alignment in shared goals. Building on last year's success and positive reputation, participation has grown significantly. Additionally, this program has been officially recognized by the government and meets the eligibility criteria for the Matching Grant Scheme under the “Partnership Fund for the Disadvantaged”, which clearly attests to public recognition of our work. As we progress, partner schools strictly adhere to our admission criteria to ensure resources reach underprivileged families, and we continue providing guidance and support while conducting regular assessments to maximize the value of every donation.

Besides providing quality after-school support services to help students with homework-related difficulties, we also offer diverse after-school activities, including education in STEM, financial literacy, global health, engineering, visual arts, the Basic Law, and robotics, to continuously support the children, allowing them to learn knowledge beyond the regular curriculum, thereby broadening their horizons. We extend our deepest gratitude to over 80 tutors and volunteers from various schools, whose passion and professionalism have built crucial bridges for knowledge transmission. It is your dedication that has transformed these valuable educational visions into reality.

Moreover, we extend our sincere appreciation to our media partners for documenting these precious moments, enabling society to witness the transformative power of education. From feature reports in Sing Tao Daily to South China Morning Post - particularly the in-depth interview on HOY TV's “City Focus” show featuring Vice Chairman Mr. David So, program founder Mr. Ethan Chong, and Principal of Ling To Catholic Primary School Mr. Andy Li —these vividly demonstrate how education empowers children to adapt to an ever-changing environment.

Chairman's Message

On the other hand, we held two charity screenings of *The Prosecutor*, engaging over 500 students in meaningful afternoons. Co-designed with Dr. Jenny Tam, Vice Chairman of Po Leung Kuk, these events succeeded through the support of Mrs. Louisa Lo, supervisor of Raimondi College, Ms. Vu Im Fan and Ms. Wong Ka Yan, Angela, assistants to the Episcopal Delegate for Education, Dr. Sandy Lau, Ten Outstanding Young Persons and former Miss HK, and participating principals and teachers. Due to overwhelming demand, an additional screening was arranged and featured special guests, Mr. Donnie Yen, the director, producer and lead actor, Mr. Kent Cheng, the two-time Hong Kong Film Awards winner and producer Mr. Edmond Wong, who shared behind-the-scenes insights. Mr. Tong Soen, Assistant Commissioner of Correctional Services Department (Rehabilitation Division), also addressed youth vulnerability to scams in his sharing.

For eighteen years, we have held firm to one belief: Education is the key to changing destinies—a conviction ever more vital in uncertain times. Moving forward, we will uphold our “helping others to help themselves” ethos to reach more children in need, thus enhancing their development spaces and improving the problem of intergenerational poverty.

Lastly, we extend our heartfelt gratitude to all sectors of society for your steadfast and generous support. Every single donation you have contributed is transformed into the courage and strength for children to pursue their dreams. As we enter the 18th year, let us carry forward together, continuing to broaden our reach to beneficiaries in society and uphold our mission of supporting children's education.

在這期間，基金會十分感謝各校校長和統籌人員的協助，使得這項計劃能夠順利舉辦成功。

十分關愛基金會舉辦課後支援成長服務 目標、對象及計劃理念

課後支援成長服務計劃的理念是援助有需要的家庭，而父母可安心外出工作。計劃旨在訓練學童的自理能力，避免獨留兒童在家時發生意外，同時亦避免他們在課餘時在外流連而受到不良群黨的誘惑及騷擾，減輕基層家庭面對工作及照顧家庭所帶來的雙重壓力。基金會以資助香港貧困學童的教育為宗旨，為學童提供更全面的學習環境，讓他們為未來的發展作好準備，亦希望藉此改善跨代貧窮問題。

十分關愛基金會-天主教教區小學課後支援成長服務計劃為期六年，服務計劃目標是向學童提供有質素的課後支援成長服務，輔導學童制定較規律的生活習慣和課餘作息，增強自我照顧能力。培養及發展學童的學習興趣，加強學童社交技巧及解決問題的能力。此外，服務亦為學童提供每日的功課輔導及指導服務，協助學童解決學科上遇到的疑難。小朋友從小建立平衡規律的學習模式，每日按時完成功課及溫習，這將有助他們提升學習信心和主動性。除協助學童解決功課相關的疑難外，基金會亦非常重視個人素質的培養。通過導師與學生家長的定期緊密溝通，了解學童其他方面的需要，期望小朋友在成長過程中得到更好的支援，加強各家庭功能的發揮。

十分關愛友伴同行成長計劃 II

導師會按照以上時間分配，帶領學生進行茶點及休息、功課溫習、活動和清潔課室等一系列的活動，以幫助學生全面發展和提升他們的學習能力和生活技能。

十分關愛友伴同行成長計劃 II

這項計劃是基金會與天主教教區小學攜手合作的重要項目，旨在為低收入家庭的學生提供課後支援及成長計劃服務，讓缺乏家人照顧的學童能夠在學習及身心成長上獲得關注及支援，讓雙職父母能外出工作，加強學童自理能力，建立自信心，引導學童正面思維，培養正面的價值觀和懂得關心社會。

課程期間本會將密切關注計劃的運作和學生們的學習情況，並根據實際狀況適度進行調整和改進。希望這項計劃能夠得到學生和家長的支持和認同。

基金會亦期望每年籌得更多的善款，將計劃擴展至天主教教區的55所小學，讓更多有需要的家庭也能獲得課後支援及成長計劃服務。我們希望讓學童感受到真切的關懷，讓經濟水平較差的家庭得到幫助，讓學童能夠茁壯成長，成為社會未來優秀的棟樑，並教育他們在能力範圍內服務社群、貢獻社會，發揮助人自助的精神。

The handbook can effectively allows parents to better understand their homework and class status, and provide parents with suggestions, aiming to enhance students' positive attitude. If students have difficulties in certain subjects, lack interest in a certain topic, or lack of concentration and focus on lessons, tutors also provide suggestions and appropriate assistance.

Ten Percent Companion Growth Supportive Service II

This program is an important project designed to foster collaboration with Catholic Diocese primary schools. It aims to provide after-school support and growth planning services to students from low-income families, so that students who lack family care can get attention and support in learning and mental growth while their parents are at work. The program also aims to strengthening children's self-care ability, building self-confidence, and to help them develop a positive attitude.

The Foundation will assess the program from time to time. To ensure that effective learning and expectations are met, we do progress monitoring and make adjustments to the program when necessary. We hope the families recognize the positive impact the program makes to their children.

Lastly, the Foundation hopes to raise more funds every year, and expands the program to 55 primary schools in the Catholic diocese, so that more families in need can receive after-school support and services. Children are the future, hope and pillars of our community, and we hope to let children in low-income families feel loved and supported. The healthy development of children is crucial to future well-being of our society.

小老師義工計劃： 培養品德教育與學生互動的機會

基金會於2020年推行了「小老師義工計劃」，這項計劃旨在為青少年提供一個品德教育的機會，培養他們謙虛禮貌、誠實守信、品行端正的價值觀，以成為良好的榜樣。透過參與各項課後支援計劃，青少年可以建立助人行善的良好習慣。

在2023年開始，本會邀請了一些年輕的中學生作為「小老師」，他們合作設計了一系列的「特別課程」活動，為本會計劃：十分關愛友伴同行成長計劃 的五所天主教學校的小學生提供多元化的學習。本會非常感謝這些「小老師」義工同學們提供的設計理念，為基層小學生帶來豐富的學習體驗。這些課程以互動、實踐和應用為特點，通過講座、討論、角色扮演、遊戲教育、實驗和藝術創作等各種形式的教學活動，引導學童深入理解課程內容並將之應用於生活中。

作為「小老師」，青少年義工在計劃中扮演著重要的角色，幫助學童溫習課業、解答疑難、檢查功課等。此外，他們還可以將自己的專長或技能教導給學童，例如籃球、科學實驗、繪畫等，讓學童在課餘時間尋找到樂趣。這樣的經歷讓「小老師」學習與人相處的技巧，學會無私和關懷的重要性，並在日常生活中幫助有需要的人，實踐關愛的精神。

這些「小老師」之前也在本會曾合作的機構(例如：小童群益會、路德會等等)擔任過小導師，或通過參與基金會舉辦的各項探訪活動積累了義工時數。當「小老師」完成一年的義工服務後，將獲得基金會頒發的感謝狀。

十分關愛基金會 希望更多的青少年義工學生能參加這個小老師義工計劃，體驗這個意義非凡的學習機會，並幫助孩子塑造良好品德。而計劃籌得的善款，將用作支持十分關愛基金會的各項慈善及教育服務。我們的教育服務包括：課後支援成長計劃，為學童提供課後支援服務，希望藉此幫助更多有學習需要的孩子。

在此，本基金會衷心感謝「小老師」為基層學童帶來不一樣的生活體驗！

請即加入小老師義工計劃！
